

GAMDEN 44 HUNTINGDON 5

In the first game of the season the C. H. S. basketballers came in on the long end of 44 to 5 score with Huntingdon H. S. Friday afternoon before a large and very noisy bunch of rooters. Despite the one sided score the game was a very interesting one from C. H. S. viewpoint. For it served to show just what we can expect from the locals this season. If taking last week's performance as an example of what we can expect then the future seems rosy, indeed.

Losing two of last season's stars, Gibson and McGill, through graduation, we were expecting to see a considerable weakness in the line up. Such, however, was not apparent to the "naked eye" for the two new men, Henley and E. Devault, played the game every minute and more than lived up to expectations. They were in every play fighting like veterans. The passing of Henley being exceptionally noticeable. H. Devault played his usual good game. We are always expecting him to do his share; they've grown accustomed to seeing him do it.

The two outshining lights were the fierce and effective guarding of Rushing and lighting fast and accurate shooting of goals by Parker. They were all over the court. These two boys have the making of stars in them, and we hope to see them develop as the season grows. Here's hoping for many local games this season. Following is the line up and score:

Camden. Huntingdon.
Parker.....F.....Allen
E. Devault....F.....Murray
Henley.....C.....Seacock
Rushing.....G.....Crider
H. Devault....G.....Jarrett

Field goals—Parker 24, Henley 2, E. Devault 4, Allen 4, Rushing 8, H. Devault 6; on foul, Huntingdon 1.

Referee—Cland Allen.

BIG SANDY.

Mrs. J. W. Hastings is visiting relatives in Paris.

Born, Saturday, to Rich Rayborn and wife, a baby girl.

Rev. H. L. Janes filled his regular appointment at the Baptist Church Sunday.

Leon Blond and wife of St. Bethlehem visited her parents, Mr. and Mrs. Ed Lindsey, Sunday.

Possums are ripe, and the boys are harvesting them to go with the sweet potatoes.

The weather continues fine and the people are harvesting a nice lot of potatoes and sorghum.

The young folks enjoyed a nice singing at the home of Justice J. W. Jones Sunday evening.

We are pleased to announce that Rev. W. W. Henley of Camden will preach here next Sunday at 2 o'clock p. m.

Chancery Sale.

Pursuant to a decree rendered by the Chancery Court at Camden, Tennessee, and entered of record on page 21 of Chambers' Minute Book in the case of Martin F. Wallace vs. Walter Bateman, notice is hereby given that I will sell at public auction at the south door of the court house in Camden on

SATURDAY NOVEMBER 26, 1921, at 1 o'clock p. m. the following described property to-wit: About 200 acres of land lying and being situated in Benton County, Tennessee, on the Tennessee River, and upon which land is located what is now known as Walker's Landing, a steamboat landing on Tennessee River. A complete description of said land is in my hands and will be given on day of sale and may be seen at any time by calling at my office.

TERMS OF SALE.

Said land will be sold $\frac{1}{2}$ cash, $\frac{1}{2}$ in 12 months, $\frac{1}{2}$ in 24 months, taking interest-bearing notes at 6 per cent for deferred payments; retain a lien on the tract of land sold and as additional security for payment the notes to be secured first by good and solvent personal security. This October 26, 1921.

G. B. HOLLADAY,
Clerk and Master
Essary & Denison,
Solicitors for Complainant.

FOR SALE.

I will sell my house and lots, my stock of groceries and hardware—in fact, everything just as it stands. Prices are right.

N. C. MELTON,
Eva, Tenn

ORDER OF PUBLICATION.

Benton County Auto Co. vs. C. G. Newton—Before J. T. Hollingsworth, Justice of the Peace for Benton County.

In this cause it appears by affidavit that the defendant, C. G. Newton, is justly indebted to the plaintiff and is a non-resident of the State, so that the ordinary process of law can not be served upon him, and an original attachment having been levied on his property and returned to me, it is therefore ordered that publication be made in The Camden Chronicle, a newspaper published in Camden, Tenn., for four consecutive weeks, commanding the said C. G. Newton to appear before me at my office in Camden on the 26th day of November, 1921, and make defense to said suit, or it will be proceeded with ex parte.

This October 27, 1921.
J. T. HOLLINGSWORTH,
Justice of the Peace
S. L. PERLER,
Attorney for Plaintiff.

Making Extraordinary Mileage a Certainty—

Car Owners want more rubber on the tread where the wear is hardest; more gum between cord plies to perfect a resilient and powerful carcass. And they want a scientifically constructed Non Skid tread with all angles and contacts to resist skidding and give sure traction. Firestone Cord Tires have met these demands of the car owners.

Read Letters Below—

Records from 29,000 to 57,000 Miles

Cord Tires built the Firestone way could not fail to produce mileage. Every day, from all over the country, comes the word that 10,000, 20,000 or 30,000 miles are frequent and consistent records.

Now and then they are emphasized by unusual instances such as quoted below. Performances like these demonstrate the ultimate possibilities of Firestone Cords under careful driving.

Firestone Tire & Rubber Co.,
Jacksonville Branch,
Jacksonville, Florida.
Gentlemen:—

Sept. 10, 1921

I submit herewith the history of a 32x4 Firestone Cord tire. This tire has run 37,000 miles. I have retreaded it seven times. The average mileage to each retreading was about 7,000. I think you will agree this is a remarkable record. It is especially unusual as I know the owner to be a severe driver. However, he gives his tires proper inflation. The tire in question is not yet out of service and has every indication of being sufficiently strong for another retread. I am mailing photographs under separate cover.

C. U. Penny,
Plant City, Fla.

The Harvey E. Mack Co.,
Thirtieth & Harmon Place,
Minneapolis.
Gentlemen:—

Sept. 2, 1921

It occurs to me that you might be interested in the mileage that I obtained from the set of Firestone Cord tires on my Dodge coupe. The first tire went over 29,000 miles. The second tire rolled up a mileage of between 34,000 and 35,000. These were both rear tires and had been cut considerably by chains. The two front tires have gone better than 35,000 miles and are still in good condition. I expect to get at least 35,000 miles from each of them. I need scarcely say that the Firestone Cord will be my tire choice for the future.

Archibald H. Board,
522 LaSalle Bldg.,
Minneapolis.

**FABRIC
30X 3 1/2
NON SKID
EXTRA SIZE
\$13.95**

In this fabric tire as in our cord tires only Firestone resources and experience can provide this quality at this price.

Firestone CORD TIRES

INEXPENSIVE WAY TO MAKE WOOL MATTRESS

A washable homemade wool mattress in use for 21 years and never a moth in it. That is the kind that a Hawkins County housewife has and she says that it is one of the best mattresses that can be made—and it is not expensive at the present price of wool. It will last for years and can be washed at any time.

This interesting bit of information was discovered by Miss Mary Deadrick, home agent in Hawkins County and she obtained instructions for making such a mattress from the housewife which is here given for the benefit of other home makers.

Use 25 pounds of washed and picked wool. Get 12 yards of material for tick and $\frac{3}{4}$ woven tape. Make the tick to fit the bed, round corners slightly and sew for filling. Measure tick on wrong side into 8 inch squares. Then tack 6 inch lengths of tape to every other corner. Lay tick on table or bed, push closed end in to first row of tapes. Fill with fluffy wool to tapes and tie in bow knot. Pull second row of tapes toward you and fill with wool as before and tie tapes as in first place. Continue to fill between rows of tapes tying as you go till tick is finished.

One cent a mile from any point in Tennessee to Kansas City is the rate offered by the railroads to members of the American Legion, their mothers, wives, sisters and dependents to enable them to attend the third annual convention of the Legion, October 31, November 1 and 2.

The Chronicle and the Weekly Commercial Appeal \$1.50 per year.

Maxwell House Shoe Co.,
Nashville, Tenn.

Gentlemen—After careful study of the Nashville, Tenn., retail shoe field we have made the Maxwell House Shoe Co. our exclusive Nettleton Special Agency in this region.

The addition of Nettleton shoes for men in is line with the progressive (yet careful) policy of the Maxwell House Shoe Co. of Nashville, Tenn.

No doubt you know of Nettleton shoes. They are one of the finer men's makes and to a remarkable extent command continued respect and perpetual patronage from their wearers.

We trust that you will look into this matter of what real value is in a man's shoe. They solicit mail orders and pay parcel post.

Yours very truly,

A. E. NETTLETON Co., Syracuse, N. Y.

P. S.—Should you be in need of shoes of special construction, we shall be glad to cooperate with you through the Maxwell House Shoe Co., Nashville, Tenn., and shall endeavor to earn your unqualified approval.
